

# YOUR STAGE-STRUCK UNCLE

PH: Richard Gooding

*The Sky Lounge spirals around the central core of Uncle Elephant and Castle, 45 floors storeys proud of the sidewalk. Staffan Tallgard Design Group have not held back in adding punches of colour, texture and drama to this work/play/live stage for Uncle's lucky residents. Taking inspiration from the famous Southwark Playhouse, the red thread for the design was the expression of drama and character, helped boldly along by key pieces from the Diesel Kitchen range from Scavolini, Moroso, Seletti and DCW Editions.*
